Nicolette Wagoner, Commissioner
Elmira-Chemung Transportation Council
400 East Church Street
Elmira, NY 14901

Dear Ms. Wagoner:

As Chemung County Acting Sheriff and the Chairman of the Traffic Safety Board, I am pleased to offer my support to the Chemung County Complete Streets Policy for Street and Transportation Projects. The proposed Resolution and information sheet were sent to all Traffic Safety Board members for input and no objections were made.

This will increase opportunities for multi-modal transportation for citizens of all ages and abilities through the design, maintenance, and operation of street construction and reconstruction within Chemung County. All of the design features and practices described will accommodate the safety, health and comfort of motorists, cyclists, and pedestrians of all ages and abilities.

Sincerely,

Sheriff William A. Schrom
Chairman, Chemung County Traffic Safety Board
